

8 Hour Hazwoper Class

Southeastern Indiana Solid Waste District
Madison, Indiana

Date: Wednesday, Sept. 18, 2013

Time: 8:00am – 5:00pm

Cost: \$100.00 per person

Instructors: American Industrial Services

Maximum Class Size: 24

Registration Deadline: September 10

Lunch: Provided by SISWD

Directions: Map provided upon registration. (GPS will not get you here!)

- This class will cover a review of the OSHA Hazwoper rules, OSHA Hazard Communication rules, general safety, personal protection, an overview of DOT hazardous materials regulations (signing manifests/packages) and household hazardous waste specific safety including spills and response. Class will especially benefit those that work directly with the identification, management, transfer (bulking), packaging, storage and handling of HHW.
- It will be a refresher class for those that have already completed 24-hour or 40-hour Hazwoper training. The certificate indicates it is an 8 hour refresher class.
- This class also is an 8 hour awareness class for those that have not had the 24-hour or 40-hour Hazwoper training. The certificate for those employees will indicate it is an awareness class.

To Register: Complete and submit this form to SEIRD along with a check for \$100 (made out to American Industrial Services) by Monday, Sept. 10. For more information please call 812.574.4080 or email aaron@siswd.com. Lodging available in Madison.
