

INDIANA HOOSIER CHAPTER

IDEM-Accredited Indiana Landfill Operator Training (Category II & III)

2015 Training Schedule

- Thursday, January 8th – Indianapolis, IN
- Thursday, June 4th – Greenwood, IN
- Thursday, September 10th – Ashley, IN
- Thursday, October 15th – Evansville, IN

All training courses will be from 10:00 AM until 3:00 PM with a break at 11:30 (lunch provided).

This course is designed for the currently certified landfill operator, the person seeking a preparation course for initial certification for the state-approved exam, or the solid waste professional looking to enhance his/her knowledge. SWANA CEUs will be available for recertification.

This course is offered by fellow solid waste professionals, the course is updated annually to provide information on emerging issues affecting solid waste. Topics include:

- Basics of site selection, waste acceptance and screening, waste decomposition impacts, landfill gas and leachate control processes, landfill operational techniques, closure and long-term care issues
- Recent legislative and regulatory activities affecting the solid waste industry
- Discussion of applicable IDEM policy
- Information on new and improved technologies
- Information on changes to processes or management practices
- Information on asbestos disposal

An IDEM-accredited examination will be offered immediately following the course for individuals seeking initial landfill operator certification.

For questions call Jenni Franz at 260-668-0535 or by email at hoosierswana@gmail.com

PLAN AHEAD! IDEM requires that a certified operator must complete an accredited training course prior to the expiration of the operator's valid certificate. If the date is missed by even one day, the certification becomes invalid and the initial exam must be retaken.
